

Signing up to Azure Cloud using Microsoft Account:

Open a new In-Private/In-Cognito Browser window

Chrome Browser : CTRL+SHIFT+N

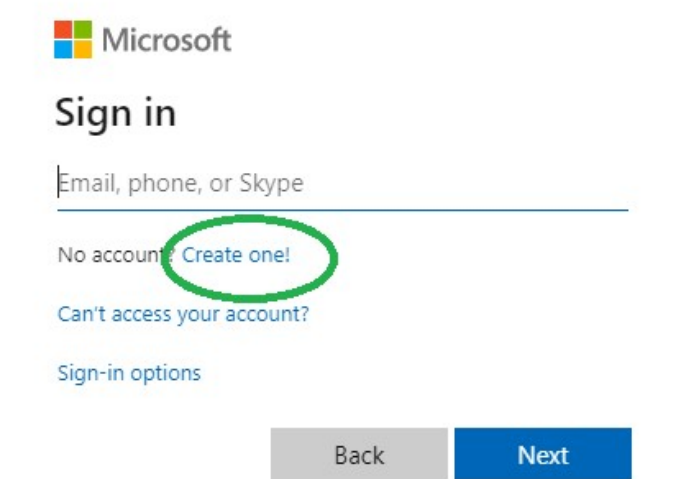

IE Edge Browser : CTRL+SHIFT+N

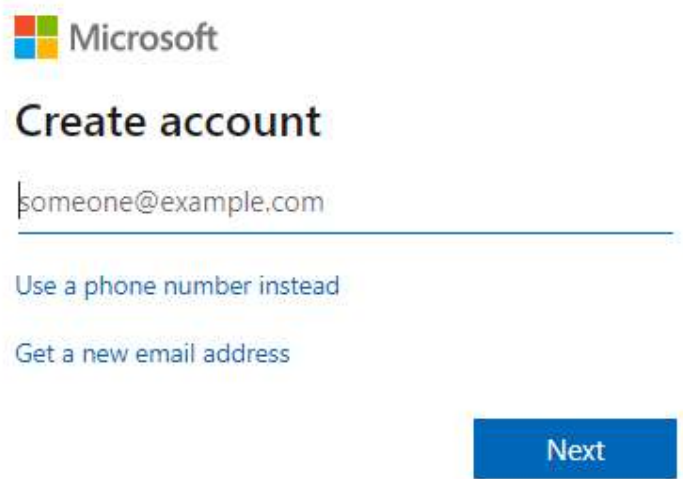

navigate to: <https://www.microsoftazurepass.com/>

Click On Start

PLEASE CREATE a new Microsoft Account (do not use any id that it tied to Accenture Account)

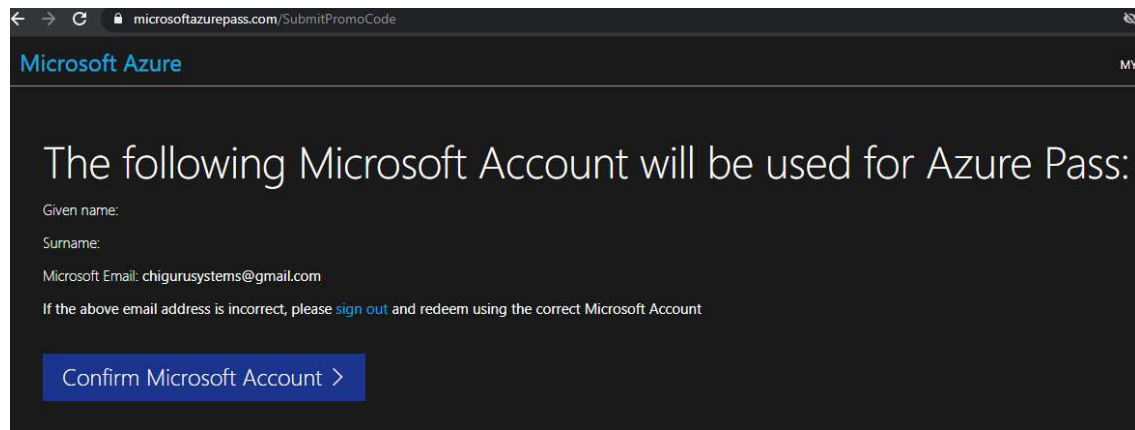

The screenshot shows the Microsoft Sign in page. At the top is the Microsoft logo. Below it is the heading "Sign in". There is a text input field with the placeholder "Email, phone, or Skype". Below the input field, the text "No account? Create one!" is displayed, with "Create one!" circled in green. Below this are links for "Can't access your account?" and "Sign-in options". At the bottom are two buttons: "Back" and "Next".

The screenshot shows the Microsoft Create account page. At the top is the Microsoft logo. Below it is the heading "Create account". There is a text input field with the placeholder "someone@example.com". Below the input field are links for "Use a phone number instead" and "Get a new email address". At the bottom is a blue "Next" button.

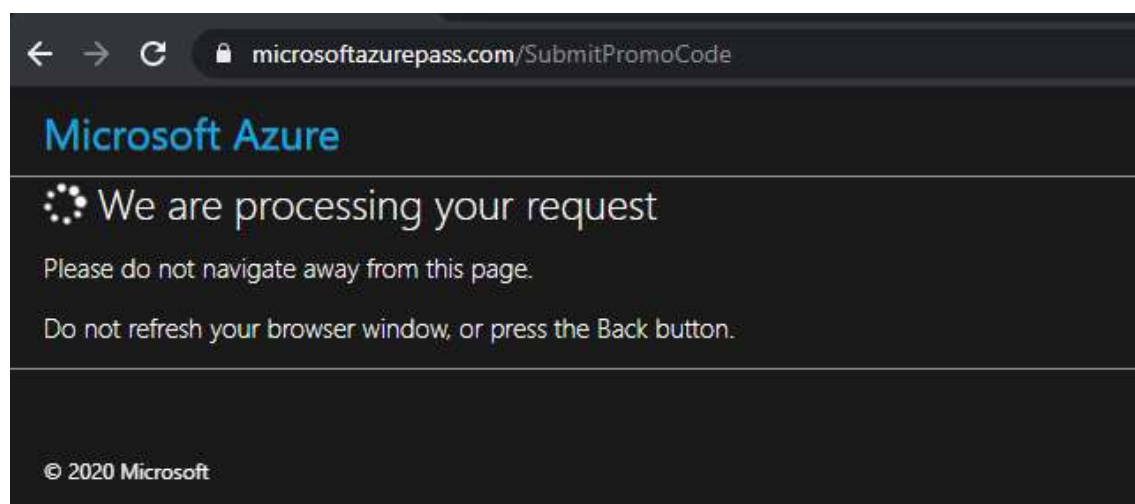

Once your Microsoft Account is created, you can use it to renew your Azure Student Pass:

Click on 'Confirm Microsoft Account' and enter your PROMO CODE:

It will take a while for your PROMO CODE to get validated

Azure Pass - Sponsorship

This offer provides access to Microsoft Azure for a set monetary limit and time duration, whichever is reached first.

1 Agreement

☒ I agree to the [subscription agreement](#), [offer details](#), and [privacy statement](#).

I will receive information, tips, and offers about Azure, including Azure Newsletter, Pricing updates, and other Microsoft products and services.

☒ I would like Microsoft to share my information with select partners so I can receive relevant information about their products and services.
